1. Definitions

In these rules:

Baccarat Table of Play is a set of mandatory rules that dictate whether the Player and Banker should stand or draw an additional card.

House means the Casino Operator.

Natural means a two-card total of eight or nine points achieved by either the Player hand or the Banker hand.

Non-Commission Easy Six Baccarat means a version of Baccarat where (i) wagers placed on the Banker shall be paid at odds of 1 to 1 except in the event when the Banker wins on Six Points (in such an event, only 50% of the amount wagered on the Banker shall be paid); and (ii) wagers placed on the Player shall be paid at odds of 1 to 1 except in the event when the Player wins on Six Points (in such an event, the amount wagered on the Player shall be paid at odds of 1.05 to 1).

Player Pair or Banker Pair means the first two cards of either the Player hand or the Banker hand, as the case may be, and such two cards form a pair (for example 10, 10 or K, K).

Easy Six means a side-wager that wins in the event when (i) either the Player hand or Banker hand wins on Six Points; or (ii) a Tie occurs on Six Points, with any other outcome being a loss.

Tie means that the Player hand and the Banker hand have the same point count.
